Finding the perfect venue...

*We have great links with a wide variety of venues across the North West.
Below are just a few examples.*

Widely regarded as one of Sheshire's most stunning venues, Thornton Manor offers an unparalleled choice of locations from large to intimate events. From ornate rooms in the Manor House to the picturesque lakeside marquee, this is a truly spectacular backdrop to any occasion.

This stunning neo-Grecian venue in the heart of Liverpool's city centre has the 'wow' factor in abundance. With Ornate ceilings, majestic steps, seating for upto 600 and special touches like a full size organ, St George's Hall provides the setting for a memorable occasion.

The Cornerstone Building, a beautifully renovated Grade 2 listed building and the ultra modern Capstone Building. A stunning new Renaissance-style garden 'Angel's Fields' provides a tranquil oasis in an urban setting. The garden is home to the Amphitheatre - an exciting new outdoor performance venue, also perfect for events with an outside element.
