## PARK BITES MENU

Our petite but beautifully formed Pigsty - salon de beauté, sits in a separate building adjacent to the hotel on beautiful Bruntwood Park. Named because of its appearance when Oddfellows bought the stunning Bruntwood Hall; it was hard to believe we would be able to make a beautiful salon out of the pigsty we found in this building!

The Pigsty offers 2 treatment rooms and a Rasul mud room - an ideal place to get together with friends or enjoy a little bit of 'you time'.

Whether it's for a quick polish on your trotters or a pampering day of treatments and lunch with friends, the therapists at our treatment salon will give you an utterly wonderful experience.

Park Bites will be served daily between 12pm – 9pm
